January 22nd - February 5th

Virtual Kick-Off: Friday, 1/22 @ 7:00pm

Join us in our efforts to raise funds to bridge the digital divide for our students during distance learning, to continue K-5 Music for Minors, and to enhance science offerings and ELA/ELD curriculum.

This year's Readathon will feature culturally relevant books being read aloud, reviewed and highlighted by community members and librarians.

Kick-Off details, Fundraising Page link, Minute Tracker and Read-Aloud videos available at: smfcedfund.org/readathon
