

Cabot Elementary School Social Action Committee

Dear Cabot School Community,

The Cabot Social Action Committee has partnered with the Greater Boston Food Bank (GBFB) to raise funds to support the growing epidemic of hunger.

This holiday season, GBFB will distribute more than 20 million healthy meals to those in need across Eastern Massachusetts. Your support will help provide healthy holiday meals to families facing hunger.

As the COVID-19 pandemic has taken a devastating toll on our health, the economy and on food insecurity, your support will help to provide food for a record number of families in Eastern Massachusetts.

You can contribute beginning today by visiting <https://my.gbfb.org/team/325922>. Just \$1 provides 3 meals for those in need.

Our Cabot School fundraiser will run through the end of December.

Thank you for your generosity during this time,

Cabot Social Action Committee
