

## **Help Port Kids Attend Port Summer Camps!**

Please support **"Summer Together 2021,"** a volunteer-run program that sponsors camp and activity scholarships for Port families in need. Help ensure that ALL of Port's children have a fun, enriching summer!

Last summer, despite the pandemic, Summer Together funded more than 300 weeks of activities for more than 100 Port children.

Camps are already booking. We need your support now! Please donate online or find check mailing instructions at:
