PRISCILLA COLE, PRINCIPAL

March 7, 2020

Dear Dunwoody High School Advanced Placement Parent(s), Guardian(s):

It is time to order your spring AP exams. This ordering period is only for students who are taking a spring AP class.

The District will fund one exam for all DCSD students enrolled in an AP course during the 2019-2020 school year. The Georgia Department of Education will fund one additional exam for students who are taking the exam for an AP STEM course. For those students who qualify for the Free and Reduced Lunch/AP exam fee reduction again this year, DCSD will pay for one AP exam and The Georgia Department of Education will fund one additional exam if it is a STEM AP exam OR will discount the fee for an additional non-STEM AP exam to \$53.

AP STEM exam refers to the following AP Courses ONLY: AP Calculus AB, AP Calculus BC, AP Computer Science, AP Statistics, AP Biology, AP Chemistry, AP Environmental Science, AP Physics 1, and AP Physics 2.

AP Exams will cost \$98.00 per test, which includes a small processing fee for online registration. Students who qualify for the Free and Reduced Lunch/AP exam fee reduction will pay \$53 per test if they take more than two tests.

College Board determines the fee to take an AP Exam. AP Exam Dates and Fees for 2020 are published at this link: <https://apcentral.collegeboard.org/courses/exam-dates-and-fees>.

We are excited to offer online registration through Total Registration, which includes payment options for the AP exams this year. Registration begins on Monday, February the 10th, and ends at 12:01 am on Monday, March the 9th. The link for the AP Registration Site, along with instructions for registration will be on the front page of the Dunwoody HS website under Dunwoody High School News. **Remember, whether your test is free, or you need to pay for it, you must sign up on Total Registration to reserve a test.** Once the ordering window closes, no more AP tests will be ordered. If you have any questions, please contact our AP Test Coordinator, Ben Braaten, at [benjamin\\_braaten@dekalbschoolsga.org](mailto:benjamin_braaten@dekalbschoolsga.org).

Respectfully,

Ben Braaten  
AP Test Coordinator
