

# ***Be an Invention Convention Inventor***

Invention Convention is an annual competition that occurs in Richardson ISD every year. This is an exciting competition that gives the students a chance to be creative and inventive! District winners have an opportunity to also win gift certificates, prizes, and maybe even a patent in the process.

{Categories include: pet friendly, environmental, charitable, food related, and storage and organization}

Inventions will be due, on campus, by **Monday, October 14th...NO EXCEPTIONS!** The judging for building winners will take place during the school day on **Tuesday, October 15, 2019**. Only 1st place winners, from each grade level, will advance to the district competition. The winners are submitted to the district on Friday, October 18.

District competition will be held in the Richardson High School Cafeteria on **Saturday, November 16, 2019, beginning at 8 am.**

Good Luck and Happy Inventing!!!

Sincerely,  
Mrs. Floyd
