

Volunteer Form

We rely on parent volunteers to help the Conference run smoothly. If you are interested in helping the day of the event, please provide the following information and indicate your preference for morning session, afternoon session or all day.

(Do not complete this page if you are a presenter.) Please write clearly.

Name _____ Cell Phone _____

School _____ Email _____

You will be assigned to one of the following volunteer duties:

Workshop Assistant: These volunteers will have responsibility for a group of children from registration through dismissal. They will help children with the registration sign-in/sign-out process and chaperone children to and from restrooms during breaks. They may also assist the presenter during the workshop as needed. Assistants in the PM session should also assist in gathering up any supplies or materials left in the classrooms. This is a great way to experience the Conference from start to finish.

General Volunteer: These volunteers will help with set up, assist children in identifying their workshops and help direct children to their sign in/out location. They will also assist the logistics team with gathering up supplies left behind and attending to presenters' requests throughout the conference.

_____ **Morning 8:00 - 11:45 AM**

_____ **Afternoon 12:30 - 2:30 PM**

_____ **All day**
